Gendered Paradoxes Educating Jordanian Women

"In Gendered Paradoxes, Fida J. Adely provides an ethnographically vivid account of the education of young women in a Jordanian high school, capturing the complex interplay between the demands of the state, the discourse on progress and pietism, and the imaginings and agency of the girls and their families. . . . Adely's book continues a rich tradition of anthropological scholarship in the Middle East that seeks to challenge knowledge that neglects the region's heterogeneity or the ...

Gendered Paradoxes: Educating Jordanian Women in Nation ...

"Gendered Paradoxes is a path-breaking study that challenges orthodoxies about women, education, and development in the Arab world (and elsewhere). Unique in the balance it strikes between sophisticated analysis and engaging ethnography, it opens our eyes both to the complexity of real girls' experiences of schooling in Jordan and the flaws in standard theories about why education matters.

Gendered Paradoxes: Educating Jordanian Women in Nation ...

Gendered Paradoxes: Educating Jordanian Women in Nation, Faith, and Progress. In 2005 the World Bank released a gender assessment of the nation of Jordan, a country that, like many in the Middle East, has undergone dramatic social and gender transformations, in part by encouraging equal access to education for men and women.

In Gendered Paradoxes, Fida J. Adely shows that assessment to be a fallacy, taking readers into the rarely seen halls of a Jordanian public school—the al-Khatwa High School for Girls—and revealing...

Gendered Paradoxes: Educating Jordanian Women in Nation ...

Adely opens the book with a consideration of a 2005 World Bank report on Jordan that called the state a "gender paradox" because education levels for women are high but their participation in the labour force is low, and concludes by showing the stark difference between the findings of the UN Development Programme's Arab Human Development Report 2005 and her experiences during her time researching at al-Khatwa. By focusing on the lives of these students, Adely questions common ...

Gendered Paradoxes ebook by Fida Adely - Rakuten Kobo

Gendered Paradoxes is a book about the lives of a group adolescent girls and their families as they work to make sense of their own lives and education. Education as I examine it in this book is a social space—the space of the school. It is a state-led project to develop young women and create loyal citizens.

"Gendered Paradoxes" | Fida Adely - Georgetown University

Women in Singapore, particularly those who have joined Singapore's workforce, are faced with balancing their traditional and modern-day roles in Singaporean society and economy.According to the book The Three Paradoxes: Working Women in Singapore written by Jean Lee S.K., Kathleen Campbell, and Audrey Chia, there are "three paradoxes" confronting and challenging the career women of Singapore.
