The Maxima most definitely came with a manual through all those years. From its introduction as a separate model all the way up through 2007, without interruption, the Maxima always offered a manual transmission option. It wasn't until 2007 when the CVT became the sole option that the manual disappeared.

Nissan Manuals - Car Workshop Manuals

This downloadable repair manual software covers the Nissan Maxima and is perfect for any do-it-yourselfer. In the dark old days of auto repair, you had to buy a traditional service manual in book format which would retail at a higher cost. Getting the same information in digital format is so much less expensive and more convenient!
