Virginia with her once-promising journalism career in ruins. Given the opportunity to get back in the game by writing a patriotic human interest piece, Savannah turns her attention to the town hermit, Asher Lee, a wounded veteran who returned to Danvers eight years ago, and hasn't been seen since. After an IED explosion in Afghanistan took

nervous and fearful at the shelter. Vixen failed their shelter test, so we spent time to evaluate her. It took a while for her to relax (would not take treats or approach forward), but once she felt safe and was outside with our volunteer, she was friendly and very playful with another dog. Having another dog nearby seems to really help her. Vixen was scared at the vet
